Dear Parents,

This week online bookings for Parent/Teacher interviews continue after notes were sent home last Thursday. Our office will assist any parents who have difficulty making a booking to meet with their child’s teacher. These interviews are for parents to discuss their child’s progress during the first half of the year and the half yearly report which will be sent home next Thursday, 18 June. All interviews will be held in our school hall.

Our uniform shop has introduced EFTPOS. Parents are now able to purchase uniform items using a card. This has been an initiative of our P&C, well received by customers this week.

At last night’s P&C meeting fundraising from both the uniform shop and the Mothers’ Day Stall were reviewed. Decisions were made to fund display boards in our Kindergarten rooms and to assist costs for Madissyn Powells to compete at the Pacific School Games from 21-29 November in Adelaide, South Australia.

Madissyn Powells has been selected to represent NSW in the 12 Years Girls Football team. Her position is goal keeper. She will travel to Adelaide and compete with 3,500 students from Australian states and territories, countries around the Pacific Rim and other invited nations. Congratulations Madissyn and good luck!

Next week will be Mr Gosbell’s last week with us at Girraween PS as he will be taking up his position as Principal at Karonga School for Specific Purposes in the last week of this term. Our farewell assembly next Thursday will include a ‘crazy sock day’. Please encourage your children to wear their brightest, ugliest socks in honour of Mr Gosbell.

This week our school hosted a 3 day visit from Mr Tim Allen, Principal of Yanco PS in western NSW. Mr Allen was here as part of the Department of Education’s Rural and Remote Strategy which provides assistance to principals and staff in school from rural NSW. He was very impressed with our students focus on learning in their classrooms and the work done by teachers. Mr Allen will return to our school for another visit next term.

Kind regards,

G. Walker

Our school Vision

*Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.*
VALUE OF THE MONTH: Excellence
Striving for the highest personal achievement in all aspects of schooling and individual and community action, work and life-long learning.

In school communities, evidence of this value includes:
- giving recognition to students achieving high standards
- frequently encouraging and acknowledging individual improvement
- celebrating school community achievements
- encouraging students’ awareness of broader life opportunities

In classrooms, evidence of this value includes:
- reaching personal best performance
- maintaining high learning expectations
- setting and meeting high standards
- persisting through challenges and difficulties in learning

CRAZY SOCK DAY

We all know that Mr Gosbell loves his colourful socks, so as we prepare to say goodbye to him, the school will be holding a “Crazy Sock Day” on Thursday 18th June.

All students are encouraged to wear their brightest and craziness socks with their school uniform in honour of Mr Gosbell.

There will also be a special assembly on Thursday 18th June at 12pm for Mr Gosbell and 3P will be hosting this assembly.

Parents and Citizens Association

At the last P&C meeting it was decided that a review of the boys and girls uniforms for both winter and summer was required. This will confirm the requirements for both season uniforms.

Uniform Review

Date: 16 June  Time: 11.30am -12.30pm  Place: School Hall

There will be a display of the current uniforms. There will be time for discussion and decisions on correct uniform for boys and girls in both summer and winter months.

All parents are most welcome to attend and be involved in the decision making.

Our school Vision
Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.
Body Percussion

Students in 5N have been focusing on body percussion in the past few weeks. Mrs. Faorlin taught us a song using body percussion. We learnt it for a few days. Then we had to get into groups and make our own music using body percussion. We performed it to the class. We all had a lot of fun and enjoyed it.

By Kkasumbee Patel

SOLE Sessions

5N learnt about hail during a SOLE session. First of all, SOLE stands for Self Organised Learning Environments. When we are learnt about hail we got into groups and then researched about hail using the tablets. We have to present our work in front of the whole class. I think 5N will improve on their learning if we use SOLE sessions but it doesn’t have to be on the same topic, it can be on another topic.

By Pranaya Sivashanmugam

Volume

5N is learning about volume in mathematics. First, we drew some rectangles and then we used 1cm cubes and stacked them into rectangular prisms. Then we estimated how high the rectangular prism was and we check the actual height. We used the arrays from the first level and then we multiplied it by the actual height. This helped me understand volume.

By Kevin Karunakaran

Our school Vision

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.
Girraween Cross Country Recounts

Yesterday, I was so excited because it was cross country. It was Thursday and some of my friends were expecting rain because they don’t want to run. At 9am we were preparing to go to Kelly Park. We had our recess and walked to the park. I participated in my race. I didn’t feel tired on my first lap but with three quarters to go I was getting tired. I didn’t give up and finished the race. I felt very good when I finished. At 12 O’clock we came back to our school. It was a great experience but my legs still hurt after running 3 laps.

By Kunwor Santaj 6C

On the 29th of April, Girraween Public School walked to Kelly Park for the cross country. Each class marked the roll and then had recess. When we arrived we sat on a log with the rest of the school. Mr Marscham was there with the microphone ready. He announced the 12 and 13 year olds to go to the marshalling area to be ready to run. A lot of us were watching the race and while others participated in a range of activities. The 9-10 year olds had to run 2 laps while the 11-13 year olds had to run 3 laps.

I was racing with my other two friends by Harini didn’t get a tag so he only ran 1 lap. Anadikaa came 5th, I came 2nd and Anne came first. After the race, my friend Sharanya lost her jumper. We saw the last 2 races and then we walked back to school. I saw dark clouds, and then it started showering while we walked. It was a great day and we were very lucky with the weather.

Our school Vision

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.
Zone Cross Country

On Friday 22nd we (Girraween representatives) arrived at Glenwood Park for the Zone Cross Country. We were competing against 20 other schools. There were over 477 runners on the day. Our team managers Mrs. Tracey and Mrs. Faorlin supervised us throughout this event. Mr Marscham was the announcer. At the top of the hill was the canteen, which was run by Girraween helpers.

As the races came up our seniors (year 5 and 6) started panicking. Whenever we saw anyone from Girraween cross the finish line we all gave a loud cheer. We all tried our best and no one gave up. Sujan Manoharan came 3rd in his race and made it to Regionals. We are extremely proud of our achievement and will always do our best because we are GIRRAWEEN STUDENTS!

By Subanu 6L

Sujan Manoharan came 3rd in his race and is off to Regionals. He will be one of the sixty-six runners representing Wentworthville/Seven Hills Zone at the Sydney West Carnival in June.

Congratulations!

LIMITED VACANCIES!

Preschool is a necessary stepping-stone to ‘big school’ and an important stage in a child’s development. At First Academy Preschool Childcare, we pride ourselves on providing a safe and nurturing environment in order for your child to reach their full potential.

Our centre caters for children from 0-6 years of age, operating between 7:00 am and 6:00 pm and offering:

- Quality supervised, learning and development programs integrated with play time
- School readiness and transition programs for preschool children
- Fun and enriching activities
- All meals, including hot lunches, fruit and milk

For enrolments or any enquiries, please call 9863 2361 or visit the centre at 35 Carinya Rd, Girraween and meet our qualified and friendly staff.

First Academy Preschool Childcare
The Kids Paradise.

SCHOOL HOLIDAY
TELENS PROGRAM

PRIZES and a FREE BBQ for everyone!
A great introduction to tennis for new players, and to meet new friends.
Keep your children active these school holidays and get involved in our super fun activities each day.

LOCATION: Civic Park Tennis Courts, Pendle Hill

STANDARD: Red & Orange Ball Level
Beginner to Intermediate (Ages 5 - 12)

WEEK 1: Mon 29th June - Wed 1st July 2015
WEEK 2: Mon 6th July - Wed 8th July 2015

Places are limited, so please book in early!

SCHOOL BANKING

Token Information

The School Banking volunteers have advised us that the bank keeps account of all the students who have saved up to 10 tokens. They receive a list from the bank advising the student’s names. So when the volunteers have run out of tokens, the bank still knows how many tokens each student has saved and it is all accounted for.

Our school Vision

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.
Parents and Citizens Association News

Student Injury Insurance 2015

The Girraween P & C Association along with the Girraween Public School have taken and paid for Student Injury Insurance policy for all the students enrolled at our school. This is another way of us making sure a duty of care is offered to the families of our students. As a parent and carer you don’t want the unexpected expenses of unplanned out-of-pocket costs/medical costs. This policy provides peace of mind in knowing those financial expenses will be lessened in the event of an accident.

This cover is provided 24 hours a day 7 days a week. The cover isn’t just for broken bones and ambulance trips, this policy also covers dental, non-Medicare medical expenses, and small property losses.

Frequently asked Questions:

Are school excursions covered by Student Injury Insurance? YES, all school activities are covered.

Is ambulance cover included in Student Injury Insurance? YES, Australia wide ambulance trips are covered.

Does Student Injury Insurance cover students whilst at home or at a family event? YES, this Policy covers students 24 hours 7 days a week.

Is this policy Australia-wide? YES, the policy provides Australia wide coverage for every student.

For more information, please refer to the Student Injury Product Disclosure Statement, Student Injury Policy Schedule, Medicare Notice to Claimants and Student Accident Insurance Claim Form on our school website or on the Federation of P & C Association NSW website www.pandc.org.au
Our school Vision
Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.

OSHClub Update
It has been a busy few weeks at Girraween OSHClub. Some highlights include:

- Flamenco dance class with a real flamenco teacher
- National Reconciliation Week celebrations
- Brain storming sustainability ideas for the school

We are collaborating with the school to raise money for a composting system. We are going to run a paper plane competition in the last week of school! Please find more details about this in the next page.

---

Evacuation drill
Our holiday program is now available! You can go online to book for these holidays. oshclub.com.au

IMPORTANT REMINDER
We have had a few close calls in the teachers’ carpark this term. Please do not park inside the school when dropping off or picking up from OSHClub at any point.

Thank you for your cooperation!
Paper Plane Competition

One plane per student
Gold Coin to Enter
The competition will be held week 10 (last week of school)
There will be 2 competitions (K-2) and (3-6)
All money raised will go towards the **NEW Compost bin**

**PRIZE for distance**
**PRIZE for air time (hang time)**

Design Guidelines
- Must be made from a (recycled or re-used) standard A4 piece of paper
- The plane must have a sustainable message written /designed on it

*To enter please give your name & gold coin donation to
Mr Powys or Maryam at OSHClub*

Give it a go and raise money for the sustainable future of the school!

Our school Vision
**Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.**

Conferences and meetings between parents and professionals offer an opportunity to discover a child’s progress, share information or resolve social and learning challenges. They can also be the source of conflict and stress as views can differ so it helps to remember that everyone’s goal is to work from the best interests of a child or young person. Here are some tips to help make the meeting or conference more productive and less stressful for everyone involved:

1. **Confirm the meeting**
   If the meeting has been called by someone at the school then confirm that you will be attending. Confirm also if someone such as another parent, family member, friend or professional will be attending the meeting. If in doubt, find out if more than one person will be attending from your child’s school, including an outside professional such as a speech therapist or other specialist.

2. **Work from a fresh slate**
   Sometimes meetings can be marred before they start as negative past experiences can carry residual resentment. Every new meeting offers a fresh opportunity to create better outcomes for your child.

3. **Prepare well**
   Before a meeting or conference, list any questions that you want to raise. Keep the questions short and to the point. Similarly, it may be useful to list some of your child’s strengths and areas of improvement that you’ve seen at home. Writing information down in advance ensures that your point of view is expressed and that critical information is covered. Similarly, make sure you take notes during the meeting so that vital information isn’t missed.

4. **Listen first**
   Give the teacher a chance to make an assessment of your child’s progress or behaviour. This may sound obvious but some meetings never get off the ground because an enthusiastic parent takes over.

5. **Ask specific questions**
   Clarify the information you don’t understand, asking for concrete examples. Drill down to get a clear picture of any issues involving behaviour or learning. “So he doesn’t listen in class. Specifically, when does he seem to tune out?” If your conference is student-led then take your cues from teacher and your child. Be prepared to ask specific questions that show your interest; display your understanding of what your child is showing you and also may help you form a true picture of your child as a learner.

6. **Stay solution-focused**
   If your child’s behavioural or learning challenges are discussed it’s tempting to be defensive or sceptical. Ask for concrete examples to help you gain a clear understanding from the teacher’s perspective. Look over the proof offered such as observational records or testing results using these as the basis for moving towards a solution. Ask the teacher and other professionals what any test results may mean in terms of progress, strengths, needs and further support.

---

**Stay one step ahead of your kids with great ideas & expert advice from Michael Grose. Join Michael’s NEW ParentingIdeas Club today at parentingideassclub.com.au. You’ll be so glad you did.**

parentingideass.com.au
Our school Vision
Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.

7 Remain calm
If the meeting doesn’t go well, stay calm. Meetings involving your own child can be very emotive because you and your child’s teacher are often discussing issues that are outside your direct control. Calmly stating your needs and views is far more effective than general accusations or inflexibly taking a stand. Ask for a break if you need one, even suggesting you meet at another time if your emotions are taking over.

8 Consider there are many ways to be right
Keep in mind that everyone wants the same thing—your child to make progress. Teachers view your child through a different lens than you and their conclusions and solutions can seem at odds with your own views. It maybe at these times that you need to trust the professionalism of your child’s teacher who has more than likely experienced these same challenges before.

9 Ask what you can do
Show your commitment to producing better results by asking for exercises that you can do at home to develop skills. It may be a good opportunity to ask for recommendations for outside resources to help you and your child. Often teachers know about camps, activities, organisations or events that can encourage educational and social growth.

10 Consider how to discuss at home
Once a meeting is over consider how you will talk about it with your child. Discuss areas that need work in positive, specific terms. “We talked about your reading and your teacher suggested that we need to….” Involve your child in discussing plans for improvement. Make sure these plans are doable rather than overwhelming him or her with an exhaustive list of suggestions. Small inroads in progress or improved behaviour have been found to have a snowball effect, impacting on broader areas of improvement.

Parent teacher meetings and conferences take many formats including the direct involvement of children. Regardless of the format you will be more effective if you go in with a positive attitude, an approachable demeanour, and a willingness to work collaboratively with your child’s teacher to reach the best outcomes possible for your child.
