Dear Parents,

Our school has been heavily involved in the performing arts over the last two weeks. Our Wakakirri performance at the Parramatta Riverside Theatre, Monday night last week, was a great success and an opportunity for students to perform in a large venue. Mrs Johnson and her team of teachers and parents have been preparing props, costumes, music, dance movements and public speaking for the night. This preparation has been nearly a year long process. The story dance portrayed the history of the Girraween area from present, back to the 1980’s, to the 1880’s and the dreamtime. It was an excellent performance. As well as performing, our students spoke to the audience about the school dance item. Our speakers, Sinchana Mahesh, Deeti Jani, Maya Nair were so impressive, they won the public speaking award for the night. Congratulations to our speakers, dancers and all involved in Wakakirri 2015.

Our school Performing Arts Night last Wednesday evening, was a wonderful opportunity for students to perform for parents in our school hall. The dance, singing, music and drama items showcased the talent in our school. Congratulations to all performers and to those students, parents and staff who received Education Week certificates. The whole night was a celebration of our school community.

Tuesday night this week, our school was back at the Parramatta Riverside Theatre with performers in the Celebrating the Arts festival. Our Celebrating the Arts dance group performed their dance item, Like a Drum. Local primary and high school students performed dance, music and drama pieces to a full house audience. Our students were also involved in the combined choir on the night. Teachers preparing these performers were Miss Rogers, Miss Hayes, Miss Naidu, Mrs Faorlin, Miss Brettle and Mrs Col. Students in the CTA choir and dance group have worked hard for many months in preparing for their performance. The performances were excellent!

Our students have performed at a high standard in the NAPLAN this year. Both Year 3 and Year 5 results were pleasing in both literacy and numeracy. Significantly our student growth between Year 3 and Year 5 is above average. This is a clear demonstration of the quality of programs in place Kindergarten to Year 6. These high results are only possible with the continued collaboration between teachers, students and parents. Our results reflect the whole school community focusing on learning.

Last week students represented our school at the district athletics carnival. We have three students progressing to the regional athletics carnival; Rakshaaiyan Somasundaran, Jasmine Zammit and Neerav Hemadri. Congratulations and good luck!

Our school really is providing a high quality, well rounded education.

Enjoy the spring weather this weekend.

Dear Parents/Caregivers,

Our school will be participating in the Partners in Learning parent survey, as another part of the Tell Them From Me surveys on student engagement.

The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Completing this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school’s support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential.

The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary and answers are confidential.

Parents and carers can access the survey via this direct link:

This link can also be found on Girraween PS website.

Please contact the school if you have any questions.

GPS Police Visit Day - Class 1H

As a part of the Stage 1 HSIE unit “Workers in the Community”, students have been learning about a variety of community workers that help us.

Stage 1 were fortunate to have a policeman visit the school to teach them about their roles and responsibilities.

On our 1H blog website students were asked what they learnt from the experience with the Policeman.

Sharvil’s response:

Last Tuesday I learnt that policemen have handcuffs so that thieves cannot escape. They make sure that the community is safe and all are nice to each other. I found out that their role is very important for us. Police cars have lights and sirens on them and when they are on, the public need to move on the side of the road to let them go through. Policemen have walkie talkies to talk other colleagues. It was a very good experience to meet them.

Luvya’s response:

Last Tuesday the policeman taught us the responsibilities they have. Some of them are: making sure people, don’t do the wrong thing, wear seat belts when sitting in the car and are not speeding in the car.

3P Writing

We have been learning how to write exciting, descriptive narratives. Here is a fabulous narrative by Pratham Patel;

The Fairy and the Wicked Witch

Long, long ago in the time of fairies there was a fairy named Elizabeth. She was lovely as a lotus and as shiny as a sparkly star in the dark night. Elizabeth was cute and pretty like a princess. This fairy was friendly and gentle to all the animals. She was creative and happy always.

She lived in a house that looked ordinary but it was magical. Inside it was amazing! It had colourful walls like a rainbow and it had a gold floor that was shining bright like the sun on a summer day.

The house was so magical that you didn’t have to clean the house. It would clean itself every morning! It had stairs that were like a rainbow that glowed brighter than a thousand fully powered light bulbs.

In another dimension where all evil lived, there lived a witch called Creeper and she was ugly and a slug. She was so mean she would kill anyone in her way. Creeper had the sharpest nails ever and if you saw them you would be shocked. Creeper was ugly and old, with the loudest cackle. You would go deaf in you heard it. The wicked witch was band and mean and had a hobby of killing babies.

Creeper wanted the fairy dead so she could steal her soul because all fairy souls have magic in them and this one was way more powerful. So to do this, she had a few ideas.

Her first idea failed. It was to send Elizabeth to another dimension that breathed all elements; rock, fire, water, ice, leaf, dark and light. The problem was no beast from the other dimension could pass. So she had to go to another dimension and put a spell on her, and it worked. Creeper caught Elizabeth and when she wok up from the spell, she was in a haunted house.

The house was spookier than a grey wolf shadow howling in the dark night under a full moon. There were cobwebs and yucky, green moss that looked like the gooiest slime ever. It was as dark as a deep cave on a dark night. It was smelly as a skunk and dog breath combined!

Elizabeth was tied up wit h ropes. Suddenly there opened two portals out floated two ghosts. They were brothers who lived in the soul of the house. They were two brothers who came from Soulsville. Their names were Boo and Woo. The funny ghost was Woo and the scary ghost was Boo. Woo was so hilarious you would laugh for an hour if you heard him. He was five times sillier than ten clowns. He could float in the air and did funny things while he floated.

The scary ghost, Boo, was made as a mad bull. He was angry at all times. He looked weird and strange. Boo didn’t talk too much ever, and that’s why de didn’t have any friends. He was really good at being scary.

The ghosts and the fairies introduced each other. Elizabeth told them she needed to go back home. Boo and Woo promised to get her out. First the ghosts united the fairy. They had a plan and they sneaked around like sneaky and silent ninjas.

Suddenly a might dragon guard saw them! He grabbed them and locked them up in a creepy, messy dungeon!

Elizabeth, the fairy cried, “Now, how are we going to get out?” The fairy was crying and sobbing louder than a fierce tiger’s roar.

Woo said, “Don’t worry. This is my plan. I know a secret passage outside!”

The passage opened and they slid down a super long slide that was as long as a python stretched out.

When they reached the ground they raced to the gate but there was a moat surrounding the creepy castle! In the water, there were lots of green, ferocious crocodiles! Boo had an idea! He and Woo could carry the fairy over the moat since they both could fly.

As the flew over the dangerous pool the mighty dragon guards saw them again and started chasing them. Boo sneaked behind the dragons and scared them to death. The fairy raced to the portal while Boo and Woo distracted the dragons.

Elizabeth landed on her house! She was just in time for the big fairy party. She shouted. “Yay!” Elizabeth was so happy she was able to go to the party. She dashed out of her door and rushed to the great Fairy Hall for the party.

And….. Everyone lived happily ever after.
VALUE OF THE MONTH: Cooperation

- working together to plan a school function,
- addressing issues through consultation and negotiation,
- initiating change by involving consultation with and the representation of all stakeholders and
- working together to address a school issue.

In classrooms, evidence of this value includes:
- accepting class protocols for group work and working with others,
- working well with others outside immediate friendships, initiating problem solving, identify issues and
- possible solutions to help resolve conflict.

SCHOOL CAR PARK

Under NO circumstances should parents be using the school car park on Bando Road. The car park is only for school staff. This includes OshClub parents, as per the OshClub policy **no cars are to be driven into the car park to pick up or drop off your child.**

As a school we want to keep all our students safe and protect them for any incidents that may occur with unauthorised vehicles in the car park.

Thank you for adhering to the rules and co-operating with us.
