Dear parents,

We are half way through our first term of the school year. Our school routines are now in place for the year following our induction of school leaders and parent information sessions held last week. Scripture, banking, sport and assembly timetables have begun and all school programs are running smoothly. It has been very impressive to see how quickly our Kindergarten students have settled into their classes and the school playground. Their behaviour has been excellent, following the very good role models from students in our older classes.

Next Wednesday evening at 7.00pm we will hold our monthly P&C meeting. I encourage all parents to consider being involved in the P&C. This is a great way to keep up to date with events and organisation in our school. As well as planning fundraising, the P&C are involved in real decision making in our school. P&C representation is required on panels for staff selection and planning processes for our school throughout the year. If you have any questions or suggestions please bring them to the meeting next week.

Today we have students representing our school at the district swimming carnival. Our small group of swimmers will compete at Blacktown Pool. Congratulation to those students who have qualified for the district swimming carnival. We need to increase the number of students who are confident swimmers in our school. Swimming is a life saving skill. Parents are encouraged to enrol their children in swimming lessons. We will hold Learn to Swim classes later this year. Information will be provided when we have confirmed dates for the program.

The NRL season kicks off tonight with my team, Parramatta, playing Brisbane. What a great way to start the season with a win at home! Go the Eels! Good luck to your teams in the first round of the year.

Have great weekend everyone,

G. Walker

Shark Culling

By 4R

As you may know shark attacks have increased significantly. People say culling is the only option but maybe not. Culling would cause the extinction of most of the population of sharks, disturb the natural habitat and unbalance the ecosystem.

Most importantly experts have proven sharks are a vital part of our ocean because without sharks the food chain would be ruined. Sharks provide food for a third of the world.

Secondly, it is likely that the sharks could become extinct. Without sharks the ocean would become a dead zone. Sharks clean the ocean. If they were extinct our beautiful ocean would be no more.

Sharks have a right to live. It would be like someone coming to your house and saying, “Get out. I want to live here.” Killing them is not an option. Wouldn’t you feel shameful about terminating them from society? 82 percent of people surveyed are against shark culling.

Marine biologists have proven to a large number of people that culling is not the answer. For starters it would ruin the ecosystem, open up more dead zones in our oceans and kill most of the shark population. It would be heart-breaking and tragic if Australia’s wonderful oceans are demolished by culling sharks. Is that what you really want? Bina

In the last six months shark attacks have increased. Government and many other people are choosing to cull sharks. Because of this the ocean ecosystem is being ruined, and the shark population is decreasing. It’s the swimmers’ choice to go into the oceans.

Firstly, by culling sharks the ecosystem is disturbed. If sharks are killed the marine animals who eat the sharks, now won’t have food. There will be more types of other species of fish than shark. This disturbs the ecosystem very much.

Secondly, culling sharks can reduce the shark population. People will only be able to see sharks in an aquarium. Tourists won’t come to Sydney Aquarium to see sharks.

Thirdly, it’s the swimmers’ and surfers’ choice to go into the oceans. The sharks’ habitat is the ocean, and they can swim anywhere they like. It is their habitat, so we should not take over their home and kill them so we can swim.

Marine biologists have proven to me, that culling sharks won’t solve the problem. By culling sharks the ecosystem is disturbed, the shark population can go down and then our oceans won’t have any sharks. This is why we should not cull sharks. Riva

In recent times there have been more shark attacks. Governments have been saying yes to cull sharks but I think we should not cull sharks. Firstly, it disrupts the eco-system and causes lots of extinction. Secondly, it will unbalance the natural oceans.

Marine biologists think that if we cull sharks it will disrupt the eco-system. Sharks don’t come into our habitat but surfers and swimmers enter their habitat which causes attacks. Then why should we cull sharks because it is the surfers’ and swimmers’ choice to enter the water.

Marine biologists also think that culling might cause extinction and will disrupt the food chain. The extinction will make the research of sharks much harder in the future because they will all be extinct.

Scientists have proven to me that we should not cull sharks because it disturbs the eco-system and the food chain. Tithi

Harmony Day

Monday 21st March 2016

Every year at Girraween Public School we celebrate cultural diversity in some way. The 2016 theme for Harmony Day is our diversity is our strength. This year students will be taught a game, song, dance or rhyme from a country around the world. Each class will participate in a 50 minute session conducted by an EAL/D teacher and their class teacher. Students may wear orange on the day. They will be given oranges to eat at recess.

The EAL/D Team

VALUE OF THE MONTH: Respect

Having regard for yourself and others, lawful and just authority and diversity within Australian society and accepting the right of others to hold different or opposing views

In school communities, evidence of this value includes, regarding as important the opinions of parents, implementing government education policy

In classrooms, evidence of this value includes: accepting the right of others to hold different views to your own, listening to others without interrupting, obeying school rules, acknowledging the strengths and abilities of students, affirming cultural diversity within the school community.

**Our school Vision**

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.
Girraween Public School is now using the school app called Skoolbag. The school will send out all notifications now through this app.

Please delete the old app as it is no longer in use and is out of date.

You need to search the app store for Girraween Public School. Then follow the instructions as listed below;

---

**How To Install Skoolbag On Your Smartphone**

**For iPhone and iPad users:**
1. Click the “App Store” icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. You will see your school appear, click “Get” then “Install”.
4. The app is FREE to download.
5. When installed click “Open”.
6. Select “OK” to receive push notifications, when asked.
7. Click the “More” button on the bottom right of the App, then “Setup”.
8. Toggle on the Push Categories that are applicable for you by tapping the on/off switch.

**For Android users:**
You must first have signed up with a Google Account before installing the app.
1. Click the “Play Store” button on your Android Device.
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the “Install” button.
5. Click “Accept” for various permissions (please note, we do not modify any of your personal data on your device).
6. Click “Open” when installed.
7. Click the “More” button on the bottom right of the App, then “Setup”.
8. Toggle on the Push Categories that are applicable for you by tapping the on/off switch.

**Please Note:** Some brands of Android phones need the setting in “Notification Manager” changed to “Allow” instead of “Notify” in order for the push notifications to work. The phone must also be running at least version 4 system software to run the app.

**For Windows 81 Phone and Windows 81 or 10 device users:**
1. Go to the Windows Store on your 81 Windows Phone or Windows 81/10 Device.
2. Search for “Skoolbag” in the keyword app search.
3. Install the Skoolbag app.
4. Find your school either by using the keyword search or location service.
5. Click the “Pin” icon to pin the school tile to your Windows Phone home screen.
6. Click the “More” button on the bottom right of the App, then “Setup”.
7. Toggle the Push Categories that are applicable to you by tapping the on/off switch.

**Please Note:** The Skoolbag Windows App is for 81 version Windows Phones, or Windows 81 and 10 devices.

SCHOOL CAR PARK

Under NO circumstances should parents be using the school car park on Bando Road. The car park is only for school staff. This includes OshClub parents, as per the OshClub policy no cars are to be driven into the car park to pick up or drop off your child.

As a school we want to keep all our students safe and protect them for any incidents that may occur with unauthorised vehicles in the car park.

Thank you for adhering to the rules and co-operating with us.

Fact sheet: School Opal card

The School Opal card provides free travel to school aged students between home and school on weekdays under the School Student Transport Scheme (SSTS) across the Opal public transport network.

School Opal card can be used:
- On approved travel on school days between the student's home and school, and
- For travel between 06:30 and 19:00 weekdays (21:30 for TAFE school students).

Who is eligible?
To be eligible a student must be a resident of NSW plus:
- Infant student (K-2) older than 4 years and 6 months who lives any distance between home and school; or
- Primary student (Years 3-6) who lives more than 1.6km (straight line) from school, or 2.3km or more by the most direct practical walking route; or
- Secondary student (Year 7-12) who lives more than 2km (straight line) from school, or 2.9km or more by the most direct practical walking route; or
- TAFE student under 18 years of age at 1 January of the year of application and enrolled in a full-time TAFE course for a minimum of 20 hours a week, and is not employed, lives more than 3.2km from the college by the most direct practical walking route, and attends the college closest to their home where enrolment is available.

School Opal Cards enable a student to travel on:
- Mode(s) of transport most applicable for the student's travel requirements; train or bus or both. For bus travel, cards are restricted to individual or a combination of bus operators.
- Approved ferries; and
- School days only.

For travel outside school hours or days a Child/Youth Opal card is available and provides concession fares and other Opal benefits.

How do parents/students get a School Opal card?
Students with school travel passes this year will be not need to apply for a School Opal card unless they are changing schools or their home address or moving from year 2 to 3 or year 6 to 7.
Those students who do not need to apply will have a School Opal card sent to their school for the beginning of the first term in 2016.

For new applications or for students with changing circumstances, the parents, guardians or students over 16 years are required to fill in a form online at www.transportnsw.info/school-students

After filling in the online application they print it off and take it to the school to endorse. Transport for NSW has the data online from the application and waits for the school to then endorse the application and will mail the School Opal card to the applicant's home address.
Our school Vision

Girraween P.S. will create 21st century learners through innovative, culturally sensitive teaching practice with a focus on project based learning.
