<tbody>
<tr>
<td>Creating a dynamic and quality learning environment by embedding Project Based Learning (PBL)</td>
<td>Implementing high standards of education through multimodal literacy programs and enhancing comprehension</td>
<td>Developing students' mathematical reasoning and creative activity in preparation for life in the 21st century</td>
</tr>
</tbody>
</table>

### Purpose of Project Based Learning
To provide innovative curriculum delivery, ICT embedded throughout all KLAs and ensure that all learning is personalised and differentiated. To develop skills in becoming active, lifelong learners, to work with each other and to reflect on their learning.

### Purpose of English
To develop quality teaching and learning programs that encourage all students to develop their critical and imaginative skills that deepens their understanding of themselves and the world.

### Purpose of Mathematics
To support students in making informed mathematical decisions to apply and interpret mathematical knowledge, skills and understandings in a broad range of contexts and across all KLAs.
